I have done two courses viz. MP & CFN from IGNOU and in both of the courses my Regional Centre of Rajkot. The way IGNOU delivered the knowledge is very appreciable. Study material and references provided by IGNOU are very much in-depth and to the point. Due to the comprehensive syllabus of IGNOU management programme, I could succeed to clear UGC-NET exam in Management subject in very first attempt while studying in semester 3 of the same. Even today I am taking help of egyptankosh whenever I need. Regional Centre Rajkot has also facilitated us with active support and regular counselling sessions were arranged at that time at Sunshine Group of Institutions(at study centre)
